Dear Returning Students:
Welcome back to Princeton University’s Graduate Annex! The following checklist outlines all the procedures that you must complete to receive the keys to your room.

Returning Student Move-In Procedures

- Consult your housing contract for your move-in date.
- Have a photo ID (US driver’s license, state ID, or passport) ready at this time.
- You will need your TigerCard and PIN to enter your room. Your PIN can be found in My Housing for Graduates under “Graduate Student” > “Personal Information” > “Display PIN.”
- Hit a hotspot to update your TigerCard access. A map of hotspots can be found here.
- Once your TigerCard access has been updated at the hotspot, you will be able to access your room.
